

ENVIRONMENTAL POLICY

AHL Industrial Pipework Specialists Ltd is committed to the continuous improvement of its operations to protect the environment from impairment. With the participation of all personnel, the company's environmental management systems will ensure that compliance with appropriate legislation, regulations and codes of practice is the minimum level of achievement.

Policy Aims

We endeavour to:

Paper

We will minimise the use of paper in the office
We will reduce packaging as much as possible
We will reuse and recycle paper where possible

Energy & Water

We will reduce the amount of energy used as much as possible
Electrical equipment will be switched off where possible
Heating will be adjusted with consumption in mind

Office Supplies

We will seek more efficient and environmentally friendly products
We will recycle / reuse as much as possible

Transportation

We will reduce the need to travel wherever possible
We will promote other alternatives for travel i.e.: email & phone calls
We will use green vehicles wherever possible

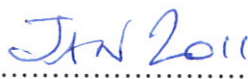

Cleaning and Maintenance

Cleaning materials will be environmentally friendly
We will only use Licensed and appropriate Companies to dispose of items

The company and its employees will co-operate fully with all customers, suppliers, governing authorities and the community in achieving this objective.

To the end of the management of the company will ensure that all employees know and understand the policy and the systems in place will be regularly reviewed.
